

2018 Corn Silage Drydown Events

The Outagamie Forage Council/Midwest Forage Association in partnership with UW-Extension Outagamie County and Fox Valley Technical College will sponsor four **2018 Corn Silage Dry Down** events. Farmers, agronomists, and professional consultants should bring **4-5 stalks** from **each field** for testing. Dates and locations are listed below. *Samples will be tested on a first come, first served basis.*

Samples that cannot be finished on site will be taken to Dairyland Laboratories in De Pere for testing and results will be available the following day on the UW-Extension Corn Silage Dry down website located at <http://fyi.uwex.edu/silagedrydown/>
