2019 Corn Silage Drydown Events

The Outagamie Forage Council/Midwest Forage Association in partnership with the University of Wisconsin – Madison, Division of Extension - Outagamie County and Fox Valley Technical College will sponsor six **2019 Corn Silage Dry Down** events. Farmers, agronomists, and professional consultants should bring **4-5 stalks** from **each field** for testing. Dates and locations are listed below. **Samples will be tested on a first come, first served basis.**

Samples that cannot be finished on site will be taken to Dairyland Laboratories in De Pere for testing and results will be available the following day on the Corn Silage Drydown website located at **fyi.extension.wisc.edu/silagedrydown**.
