

# ***Corn Silage Dry-Down Days***

***Wednesdays, Sept 5-12-19-26***

***10 AM – 2 PM***

***FVTC Regional Center  
Clintonville***

*Free, no cost! Anyone can bring samples. Staff will be on hand to run moisture tests and answer questions. Collect 4-5 stalks for each sample. Cut at normal harvest height from representative areas of the field. Bring directly to FVTC in Clintonville for analysis.*

*For more information, contact:*

*Clintonville Elevator (800-216-2894)*

*Sara Maass-Pate, FVTC (715-853-9226)*

*Greg Blonde, UW-Extension (715-258-6230)*

*Promotional support provided by Waupaca County UW-Extension  
and the Waupaca County Forage Council, an affiliate of the Midwest Forage Association.*
