

MFA Membership Great Return on Investment!

Join at midwestforage.org

Member Benefits

MFA gets its grassroots support from individual members and our local councils. Membership supports efforts to increase the profitability and productivity of the industry and has several direct benefits:

Forage Focus Magazine

Clippings Newsletter

Money Saving Coupons - let your membership make you money! Coupons are sent to all farmer members.

Discounts to MFA Events

Members Only Research Database - review archived articles from MFA publications and results from MFA's Midwest Forage Research Program projects.

NAFA Membership - by being an MFA member, you automatically receive NAFA membership (*see back*).

Local Council Membership - Are you in one of our 13 local council areas? Your membership covers both.

Research

MFA runs the **Midwest Forage Research Program (MFRP)**, which has awarded over \$341,000 to projects that are important to our region. Priorities are determined by MFA members, and farmers assist in project selection.

MFRP has supported projects of several of our **local councils** as well as other researchers in our area.
